Minutes of the 5th Meeting, 16 November 1951, 3:30 P.M.

Present: [redacted]

1. The Chairman presented for consideration a list of items which were not covered in the Minutes of the 4th Meeting of the Working Group on Career Benefits, but which he considered worthy of inclusion. No objection being voiced thereto, the Minutes of the 4th Meeting will be rewritten to include these items. The list of items is also attached hereto as "Attachment A".

2. There was considerable discussion regarding the best method of obtaining implementation of the recommendations agreed upon in the 4th meeting in respect to [redacted] It was agreed that a memorandum would be sent from the Working Group to the Career Service Committee outlining the recommendations in general terms and requesting that action be initiated toward having the appropriate regulations amended to reflect the intent of the recommendations. Such a memorandum was drafted and is attached as "Attachment B".

3. With regard to paragraph 1-B of the Approved Agenda, dated 29 October 1951, for the Working Group on Career Benefits, attention was directed to pending Senate Bill S-1820 which in substance proposes reinstituting the old Missing Persons Act. A review of this Bill indicated that if passed, it will provide CIA the extension of authority necessary to meet the situation outlined in para 1-B of the above mentioned agenda. It was recommended therefore, that the Career Service Committee request the General Counsel's office to review Bill S-1820, and if it is considered adequate for CIA purposes, to support it's passage. No further action will be taken on this item of agenda by the Working Group on Career Benefits pending resolution of this recommendation.
